The Franchise Candidate Application Process shows what information is exchanged at what time and estimates the number of days per stage. Please note that the timeline is an estimate only and the process could take longer or shorter than what is indicated based on a number of factors.

You or Jack in the Box can decide to end the process at any time for any reason, and both parties are under no mutual obligation to enter in to a purchase agreement by going through the process. The Agreement is signed towards the end of the process, and once signed by both parties, is the binding agreement to acquire restaurants. Therefore, it is possible that you could incur time and expenses to explore an opportunity but not proceed with the opportunity because either you or Jack in the Box have declined to do so.
